

## **JOB DESCRIPTION**

**TITLE:** Community Coordinator

**REPORTS TO:** Regional Director of Chapter Services

**POSITION TYPE:** Internship (hours to be determined)

**LOCATION:** Remote

**DATES:** TBD

## **ROLE DESCRIPTION**

Building a gaming community is one of the key goals of the Gaming for Inclusion Program. Through platforms like RallyCry and Discord the goal is to create an organic gaming community. The Community Coordinator will be in charge of managing The Ability Experience Discord server. Finding new ways to engage our gaming community and continue to evolve our Discord server.

## **RESPONSIBILITIES**

- Create an organic community of gaming through Discord
- Continuously recruit people to The Ability Experience Discord channel
- In charge of communication to members of The Ability Experience Discord during scheduled events
- Coordinates smaller events to keep people engaged throughout the month on different gaming platforms
- Primary point of contact for questions, comments or concerns
- Collect feedback from participants about ways to improve the Discord community (new channels, events, etc.)
- Onboard chapter tournaments to the PiKapp web platform
- Maintain a smaller community of chapters with access to the GFI platform to answer questions and funnel support requests to RallyCry as needed
